

Prayer Requests for Wayne and Sally Dye, IBC Missionaries (10/25)

We praise God for you and for your partnership in what God is doing here at the Graduate Institute of Applied Linguistics, GIAL and around the world in the Scripture Engagement movement. We have an opportunity to honor coworkers and missions in this SE movement as we present Sunday evening, Nov. 6. Pray for God's Wisdom.

Praise that Wayne's 4 month online course in Scripture Engagement is going well. Tim and Lynley Hatcher are assisting. Pray that Tim will complete his PhD dissertation which is taking far longer than expected. Then he can take over responsibility for the SE department. Wayne will then work under Tim and can complete some writing assigned by the Dean.

Son Jamey's book about God's work through us is being sent to Wagu Village and family members, for comments before final revision. We are at Jamey's in California 10 days for Tom's son Thayne's marriage to Laurel. Pray for good family interaction and a great start for their life together.

Pray for daughter Edie and Rob who are deeply discouraged as they face financial crisis on their small farm, and severe health issues. Daughter Joy's advanced diabetes is progressing and limits her severely including increasing blindness.

Wayne and Sally
