

Dear Friends at Immanuel,

Thank you for your faithful prayer and financial support. We are challenged to keep you informed as we would like. I have been sending prayer requests as churches make requests, some monthly, others quarterly. I am going to include you this month for our focal prayer and praise notes.

We praise God for a very successful Bible Translation Conference in Dallas with 450 attending, largest ever. Wayne's plenary presentation on improving cross-cultural communication in Bible videos was very well received. Nida institute wants to post the video of his presentation.

Pray for God's help as we respond to Wm Carey's offer to submit a formal proposal for our book on cross-cultural communication based on Biblical foundations. We are also having practical basic editing help in GIAL's work study student program. An experienced Missiological editor has offered to help with final editing. Pray for good communication as God brings all these creative people with their helpful ideas.

Pray for wisdom and patience for all involved in helping Judah, our 28 year old grandson with autism. Joy's son grew up in California, but his issues hindered relationships, keeping jobs and housing. He is currently adjusting to living in Texas on Edie and Rob's small farm in an RV.

Thank you for praying,  
Wayne and Sally Dye
