

Dear Ones at Immanuel,

I want to let you know how much your prayers and financial support have encouraged me. You are a huge part of my ministry here.

I continue to love interacting with my residents. One of them, Martha, has decided to increase my knowledge by teaching me to play Upwords—of course she beats me. Another of my residents, Laurel, fell and broke her hip. They were able to operate last night. Pray for the healing process and for her hubby Dean.

What a blessing to see all the volunteer RV sites filled. Much is being accomplished - painting in the multi-purpose bldg, landscaping, cement work, putting new siding on duplexes, etc. I'll be moving back to Michigan to be near my family and local churches. God seems to be opening doors even giving me an apt at South Colony on Graciot. That's only 5 minutes from my sisters. There are still huge decisions to be made. I need your prayers.

Of course situations overseas challenge my heart to pray. Just the other day one of our missionaries from the Phillippines dropped in to share in chapel--exciting things are going on there. In Mexico, translation is progressing among the Garijio. In Guinea, there are 3 tribes where Godly teaching is taking place daily—the Baga, Landuma, and Nalu. Pray for clear teaching and much interest among the people. In Papua New Guinea the Mengen are being taught through Romans and Ephesians. A real praise many of the people seem to be understanding!

I continue to covet your prayers and will keep you informed of my new address.

In His Service,

Cheryl Euler
