

Dear Friends from Immanuel,

My Devotional this morning was Psalms 37.4 The first part of it says " Delight thyself also in the Lord". I'm learning to do that daily- I believe God teaches us so much daily.

I want to THANK all of you for your prayers and financial support--that has Blessed me more than you will even know.

I'm now settled into South Colony and am Excited for any of you to pay me a visit--the coffee pot is always on. The view from my patio is truly God Given. Come see!

A very dear friend of mine that I've known since my New Tribes training days has just been diagnosed with a rare form of cancer---pray for Tim and his wife ester and they decide how this will be treated.

Pray for me also to continue to know how and where God wants to use my life.

I've recieved several requests from overseas we can be praying about. In Papua New Guinea the North

Waghi will soon start hear the teaching from-missionaries. Pray they will prepared hearts and that they with Joy believe Gods provision for them.

In the Phillippines among the Banwaon the translation of Romans is done and more translation is ongoing. Pray the Banwaon listen and understand all Gods teaching.

In Indonesia among the Dao lives are being transformed by Gods Wo word--how exciting to know God is at work.

I'll close with asking you to continue to pray for me as I stttle in and keep praying for Gods Work around the World.

Love In His Name

Cheryl Euler
