

Dear Ones at Immanuel,

I want to THANK each of you for your faithful financial and prayer support ALL these years. The longer I'm here in Saginaw – the more certain I am this is where God wants me now. I'm close to family, friends and most important churches I can get involved with. I look forward to getting to know each of you on a more personal level – so we can grow, pray and encourage each other.

I love living at South Colony. God has given me more than I could have asked for. Do feel free to drop by for a visit – the coffee pot is always on.

Keep praying for the multi-purpose bldg. in Florida.

There is a huge project coming up. Our maintenance crew is hooking up the older Lathum center to the new electricity in the new bldg. This is a costly project. Pray all goes well.

My heart is REJOICING as both the Siawi and Hamtai New Testament are completed!! The first shipment of Hamtai Bibles is already on its way to Papua New Guinea. Later this year there will be a huge celebration in both these areas as the Bibles are presented. In the Philippines among the Hagauon the whole Bible is almost ready to be sent to the printers. Pray for finances to complete this whole project.

I'm just so excited for what God has for me in these days. My prayers are for my neighbors – coming home from the hospital, that I'd be faithful witness to those here. And I know of several friends battling cancer. Till next time.

Love in Christ,

Cheryl Euler
