Dear Ones at Immanuel.

I am totally blessed by the way -you all stand behind me with prayers and financial support. Truly whar an AWESOME God we serve. I just got back from spending time in Saginaw. It was so neat to see so many of you. Of coarse the highlight for me was spending time at the National Quartet Convention. It was held in Louisville Kentucky. Great preaching and lots of Southern Gospel Music.

Im now back in Florida seems we have had several retirees with health issues. Pray for added strength and wisdom for the Doctors and for us as staff, We want to be a Blessing and an encouragement to these dear folks.

Now for an update on things here at the Homes. The new bldg -I see more dry walling being done. And this week the cement light poles were installed. Pray we can finish this project soon-by getting the right lighting hookup.

We have had several new families added to our staff. Jim and Carol Sheffield are helping with the A.L, F. administration. Chuck and Darlene Marshall are doing the Business admiistration. And Dib Hampton is helping our maintence team. How neat to see God bringing in help in various areas.

My Heart is thrilled by reading accounts of God at work in various tribal situations. In Papua New Guinea the Yembiyembi believers have traveled to visit the Biem people. The Biem are just starting to hear the Gospel. The Yembiyembi gave testimony of how God had changed their lives. Pray the Biem continue to listen to the teaching of Gods Word. In Indonesia the Da-an Gospel teaching will start soon. Pray for high attendance and understanding as they hear Gods Word. In Papua New Guinea the Akolet are excited and eager to hear more and more teaching. Pray they continue to desire to grow in Grace and Knowledge of Christ.

I best close for this month just know that I covet your Prayers.

In His Name. Cheryl Euler
