

Dear Immanuel Bible Church,

I thank God daily for each of you who have stood behind me with Prayers and financial support

As for news from here—the weather is beautiful—low humidity. Betty (who I asked prayer for last month) is still having issues with vertigo. The Doctor told her yesterday she will have to stay on medication for her dizziness. Pray as she adjusts to this medication. A friend of mine Don has gone to New York to help run a mobile kitchen. This is in the area hit by the hurricane. They are feeding 3,000 each day. Lets pray for those so deeply affected by this storm.

As for the new building- much of the sheetrock is done in the office area. That still leaves the chapel area to be done including that area which is 28 feet high. We are praying that a contractor with special equipment can be found for this project. Now for TWO huge praises. The first is that not only are the outside light poles standing -they have been inspected and approved by the city. And then a huge donation came in so we can keep building---Don't we serve a GREAT GOD!!

New from Overseas continues to thrill my heart. In Senegal in the JALANGA tribe there are those listening to the teaching. Pray they will understand and accept what Christ has done for them. Also in Senegal in the BADIYARANKE tribe—teaching will soon start. Eric's language helper as already accepted Christ as his Saviour. Pray others may soon come to Christ. In Papua New Guinea among the URIAY Pray for spiritual growth among the young believers.

I will be in Saginaw over the Holidays with my family. I want to wish each of you a BLESSED and Christ centered Holiday.

In His Service
Cheryl Euler
