

Dear

Manuel Bible

I'm sitting here in my warm apartment meditating on Malachi 3:6 where God says "I am the Lord, I change not",
How Great to be able to take God at His Word.

I want to THANK each of you for your generous prayers and financial support.

Yes! I'm doing ok in the snow and cold. Would you believe I had a snow drift by my screen door. Sometimes
it felt like 30 below. I'm fitting in here where I live and making new friends. Pray I'd be a strong witness to
those around me.

As for Florida, the multi-purpose building still needs final inspections and added finances to be complete.

News from overseas is exciting!. The Hamtai Bible presentation went well-the tribe has ordered four
thousand more Bibles to be printed. That makes a total of ten thousand Hamtai Bibles. Teaching has
started in the Badyaranke tribe. Pray the elders will allow others to listen to the teaching. Pray for
those learning the language in the Maindo tribe.

I continue to covet your Prayers. God Bless each of you richly.

In His Name,

George Euler
