

Dear Praying Friend,

Greetings in our Saviour's name. While reading in Jesus Calling, a thought that was brought out to light was that we can never praise or thank God enough. That is so true!! I thank God for each of you who support me in many different ways, through prayer, giving financial support, through emails, telephone calls and by driving me places. Without you, I would be so lost.

We don't have too much snow, but we do have the coldness and below zero temperatures, that have kept me inside more. I have not been going to swimming classes as much, due to the coldness or the slippery roads.

I praise God for continued good health, for family being close by and for good friends within and outside of the church.

Here are a few prayer requests from New Tribes Mission Homes. Pray for safety for all the volunteers who are there working on different projects. Also, pray that the finances will come in so that those projects can be completed and that they will pass the necessary inspections.

In Paupa, New Guinea, we are praising God that the Waxe New Testament has arrived and a celebration for its completion will be held later this year.

I covet your prayers for the Euler family, as we have just lost a precious little five year old boy, Shaeffer Fisher, due to complications of the flu. Also, another cousin of mine, Dennis Euler, is on hospice care. Please pray for these families as they walk through the deep valleys right now. I will be seeing my pulmonary doctor at the end of April and will be getting an update on my situation.

Thank you again, for being so faithful to me.

In His Service,

*Cheryl Euler*
