Dear Praying Friends,

What a tremendous blessing each one of you are to me with your prayers and financial support. God's Blessing be upon you for your faithfulness.

I have been reading through First Corinthians and the thought that came to me was that we are called "The Temple of God."

"Know ye not that ye are a temple of God, and that the Spirit of God dwelleth in you?" I Corinthians 3:16
God wants me to be a temple for HIM. I must allow God to speak to me and I must be willing to hear His Voice and always follow as HE leads me.

Now for an update on me. I have been to all my doctor's appointments and have received good reports. I am using a walker and YES!!!!wearing my glasses. My lung doctor is trying a new medicine on me that will stabilize my lungs. Pray that my body will adjust to this medication.

My oldest great niece graduated from high school and will be going to a college here in town. I am real happy about all of this.

Now for some prayer and praise requests:

At the New Tribes Homes all new carpet has been laid except for the new chapel and dinning area. All paid for too!! Of course the new chapel already has new carpet.

The plane in Brazil is still waiting for all the paper work to be completed. Our part is done. . When it is completed Charley Patton will fly it to it's area of service but he is retiring and so we are without a pilot. SIL will help us out until we can get a pilot.

One Kodiak plane is scheduled to arrive in Papua New Guinea this summer and two more Kodiaks are in various stages of being made ready for Papua New Guinea, hoping to be there by the summer of 2016. Pray for finances! The Lord has also provided a Kodiak check and training pilot for PNG after Jon Leedah's motorcycle accident losing his leg.

There are new believers in the Siar tribe. Praise for new countries we are entering and for the spread of the Gospel.

I covet you prayers.....
write me and keep in touch.

Looking to Him,
