Come unto me, all ye that labor and are heavy laden, and I will give you rest. Take my yoke upon you, and learn of me; for I am meek and lowly in heart: and ye shall find rest unto your souls. Mathew 11:28,28

Dear praying friends in Christ,

Thank you so much for your faithful prayers and financial support. You all are an important part of my current life.

I see signs of spring on the horizon.....birds singing outside, spring flowers blooming. I put away my fleece bed sheets, boots, etc. and am wearing a lighter jacket.

These last few months I've had some health issues.....I'm better now and back to normal activities. While I was going through this God brought the verses above to mind. Especially the word REST, both physically, emotionally and spiritually. Just like my sister says "One day at a time, resting in God's care at all times.

A very dear friend of mine will be going to Papua New Guinea for two months. He and his wife served there for many years. He will help check portions of the old testament that have been translated. These scriptures can then be used by the local churches. He will be working with two national believers. One of the local churches there in Papua New Guinea has even taken up an offering to help pay his expenses while he is over there. Pray this whole project will be used to teach believers.

It thrills my heart the Papua New Guinea now has three Kodiak planes to fly in supplies and what ever else is necessary for the tribal work. Pray God would continue to BLESS and use this ministry, making it easier for the missionaries to be involved in language learning and scripture translation. Planes are a huge part of speeding up the process of bringing the Gospel to those who need to hear God's plan of Salvation.

I continue to covet your Prayers.

In His Service
