

Dear Praying Friends,

It is with much gratitude in our hearts, now and always, as well as during this time of year with "Thanksgiving" around the corner, that we let you know how much we are thankful for you! Thank you for your ever so faithful prayers and generous gifts!

We are also thankful to the Lord for His grace, peace and hand in our lives these past months. The first week of September, Kevin began the Old Testament classes in Spanish for CB Matrix church planting training taught last year by various English teachers. We took their material and PowerPoints and translated them from English to Spanish. Kevin has been teaching this material to 15 students. We are thrilled with whom God has given us to invest time and His WORD into, for His glory! Wednesday night for three hours, and every third Saturday for six hours, we teach this course. It's been so encouraging to see these brothers and sisters soak up truth from God's Word and express their gratitude for making this happen! Thank you for your part in making this a reality through praying and giving.

We continue to participate in the English church planting training, on Tuesday evenings and also teach in our Hispanic Church on Thursday. Lisa was given the opportunity to train for being a tutor and site coordinator in a school close by, to help children with their reading skills. We thank God for these opportunities and use them as a way of outreach, to 'touch' lives. Lisa has also been teaching God's Word to our neighbor, (Terry) it's been exciting to see what

God is doing in her heart. Another lady that she was teaching is now attending the Wednesday night classes. There's nothing more exciting than to be a part of seeing God take His Word and transform lives.

Kevin and I recently celebrated our 28th wedding Anniversary! We thank God for His faithfulness to our marriage and for growing us in Him in our love for one-another!

We also thank God for working in our son Michael's life, providing healing and encouragement. Thank you to those who were praying. Lee is working hard in his last year of college. God has already provided him with a job when he graduates in May. Kristine is enjoying her new house, which she recently bought in Tucson, AZ. She continues working for Visiting Angels as their RN and is involved in her church. We are making plans to spend the Christmas there in her new home! ☺

The days in which we live are becoming more like the days of 'Noah'. May we trust Him with our future and press on by faith! Please continue to pray for grace as Kevin prepares for these teaching sessions. Please also pray for grace to trust Him with all the details of our lives and His peace in the midst of our busyness. We send our love and truly want you to know that we couldn't do any ministry without your prayers, gifts, and His Holy Spirit working and strengthening us. Thank you for standing with us in the pursuit to be found faithful!

Kevin and Lisa Lewis
