“For I know the plans I have for you,” says the LORD. “They are plans for good and not for disaster, to give you a future and a hope.” Jeremiah 29:11(NLT)

Jerry and I left Canada 29 years ago with this verse as our strength, knowing our trust in the Lord is for sure and for certain.

“The steps (and the stops) of the godly are directed by the LORD. He delights in every detail of their lives.” (Psalm 37:23)

Near the end of February this year, we were surprised when a couple approached us wanting to buy our home here in Filadelfia, and then allowing us to live in it rent-free until our planned retirement from our ministry in Paraguay in mid-2014. That was an unexpected blessing from the Lord!

We were already planning a short trip back in the fall to take care of my Canadian immigration card, which expires this October . During that time we would start our search for a home to purchase in Canada near Jerry's mother's place, where we could live during retirement. We see God delighting in us in every detail and are so thankful He is in control of any drama in our lives.

“We can make our plans but the LORD determines our steps.” (Proverbs 16:9)

God always reserves the right to change our plans, and recently He has. Due to some family concerns we are returning to Canada this month for our home assignment – a lot sooner than we had planned. Your prayers for wisdom and safety as we pack our things and travel back is truly appreciated.

It will be a treat to see family and friends again and we're thrilled that we get to see Maria sooner than we expected! She is finishing up her second year towards her B.A. Her plans include taking some summer classes so she will have more time to work part time next school year. She is doing well and enjoying her job and life in the big city.

Your faithful prayer and financial support are a vital part of our ministering-we enjoy being part of a team with you who dedicated themselves to reaching the lost for the Lord. Thank you - and again, thank you.

Love and prayers,

Jerry and Sue Jane
