“Praise the LORD! Oh, give thanks unto the LORD, for He is good; for His mercy endures forever.”

Psalm 106:1

We are overflowing with thanksgiving to our Heavenly Father for His bountiful blessings that He gives to each day. Here are a few of the things He has been doing for us since our return to Canada, April 19, of this year. He directed us to a house and we are now buying it with the bank's help for 30 years. We are a 7 minute walk from Jerry's mother, with everything on one floor and a paved circular driveway. We have nice neighbors that will keep a close watch on our house while we return to Paraguay. God has been helping us feel at home here, which was a big concern for Sue who is a “home body”.

We were able to host Jerry's family here for Thanksgiving. There were 18, of us and we ate out on our closed in sun porch, which is our favorite place. Sue is planning to be with her family for U.S. Thanksgiving next month. Our hope is to have a simple family Christmas in our new home with our daughter. We are blessed to have three bedrooms so she has her own decorated and is able to leave things in it so that taking the train here from Toronto is easier. Sue's parents have been over for some visits too and her Mom is calling the guest room, “their bedroom”. We are thankful they enjoy it here and love having them over.

Your prayers would be appreciated on behalf of Sue's Canadian Resident Card being renewed. It is our understanding that branch had a strike and is about 6 months behind in their work. Our heart's desire is to return to Paraguay in January. This is all in God's hand and He will work everything to His honor and glory.

Your faithful prayers and also financial support are truly a blessing and we are thankful. Our hearts are grateful for all the wonderful people God has placed on our team as we serve Him in Paraguay. May He bless you one and all.

HAPPY THANKSGIVING

And a

JOYOUS CHRISTMAS AND BLESSED NEW YEAR.
