

### God's Love Changes Lives

The Love of God can change a life right before your very eyes, especially when you work at City Rescue Mission. Everyday the staff and volunteers (at the Mission) have the pleasure of seeing someone touched by the Love of God. Whether it's through a scripture verse shared during chapel or someone giving them a needed hug or word of encouragement that everything is going to work out.

The mission recently had a guest move in who happened to be the sister of another guest. The adult sisters who had been separated are grateful to be together again after drugs and bad relationships kept them apart. Each sister is doing well and gives all the glory to God about their new found contentment and the bright future that lies ahead for them.

Do you want to see how the love of God changes lives? Consider visiting the mission for a tour or visit our web site at [www.rescuesaginaw.org](http://www.rescuesaginaw.org) or friend us on our Rescue Ministries of Mid-Michigan Facebook page. To schedule a tour contact Monica Brown at the Mission at ext. 145.
