

Restoration, Dignity & Hope

The story of restoration, dignity and hope rings true for Kimberlee Nixon. Kimberlee successfully completed the Mission’s Life With A Purpose Discipleship program in May of 2011. Her zeal to keep moving forward was evident when she became an intern and then landed a job shortly after at the Rescue Ministries Thrift Store. She has been employed since July 2011.

Kim gives God all the glory for the restoration that has taken place in her life. She states, “My relationship with my children and

my mom have been restored.” Prior to the restoration the mother daughter relationship was filled with bitterness and resentment. Today they enjoy and look forward to their time together.

Kimberlee attends New Life Christian Fellowship Church and she is also in school pursuing a business degree in hopes of opening her own business one day.

He Has Risen!

But Peter ran to the tomb; and stooping down, he saw the linen cloths lying by themselves; and he departed, marveling to himself at what had happened.

Luke 24:12

There’s still time to get your ticket!!

**Saturday, March 16
7:11 pm
Dow Event Center**
