

Spring in to Action

Easter is a time to reflect upon the death, burial and Resurrection of our Lord and Savior, Jesus Christ. It is also a time to remember the attributes Christ embodied during His years of ministry before the cross, especially His life as a servant.

As we share the Resurrection story we can also share it in deed, with the same characteristics Jesus shared, by becoming a servant, volunteering our time to benefit others.

The Rescue Mission is blessed each day by groups or individuals who give their time as servants. Whether it's serving on site or serving off site for such events as a food drive, it all still benefits the homeless.

Spring in to action! Find a way to share the Gospel message not just in words, but in service too. Your life will never be the same.
