Saginaw Rescue Mission welcomes **Meredith Geselman** as our Food Service Manager. Meredith has been 'seasoned' in the kitchen by years of experience including food service director at The Springs Camp in Gladwin and Jake's Old City Grill in Saginaw. Meredith and two friends ventured to Saginaw in hopes of making a difference in the community through their willing ness to glorify God with their lives. Taking a position at the Mission is in keeping with that hope. The Mission prepares approximately 300 meals per day for men, women and children. Join Meredith in making a difference. She needs items to stock the pantry shelves. It is your generosity that allows City Rescue Mission to fulfill the biblical mandate to feed the hungry. We ask that you remember the homeless this harvest season and pray for God's continued provision.
