We *love* our volunteers! The Mission Staff is assisted each month by approximately 50 volunteers...each helping provide hope and care to Mission guests. Susan Heckman finds volunteering very rewarding. "I felt the Lord lead me to volunteer here. It is rewarding to feel like you are doing something for those less fortunate." Susan likes the flexibility and great Christian staff that the Mission offers. There is always a need for more volunteers. For information on you can become part of the team call Volunteer Director, Nancy Hillenbrand at 989-752-6051 ext. 122.
