Change a Life this Summer

His name is Tim. He is quiet, yet deep. Reserved, yet smart. Busy, yet time for the least of these. Tim Waugh is our Maintenance Assistant. There was a time when Tim was a different man. He had an addiction to alcohol that only grew after his wife died. He found himself faced with broken family relationships, no home, no job, no car. He needed the Lord. The time came that Tim prayed to God to take over. In 2009 he found himself at the mission's door. Today, he is a different man. The mission helped him to deal with all of his numbed emotions. His heart desires to care for the children, "they are the worst affected by being homeless." The mission is a better place with Tim in it!
