## A Time To Give

Doug came to us in 2000 with addictions and a shaky, failing walk with God. He spent 18 months and several attempts before finally completing the discipleship program. He learned how to hold

on to dear scriptures (Hebrews 12:1) and began to let go and trust God. Staff members, guests, chapel speakers, and church members were providing for him examples of what it was to be a Christian and how to set pride aside and become humble. Pastor George and Susan Carole were powerful influences on Doug's life. Doug watched these people "down in the trenches, showing the way" and, over time, found that he had become one of them. He had become a Christian, completely surrendered to God and had become the example that so many others had been for him. 'To this you were called, because Christ suffered for you, leaving you an example, that you should follow in his steps.' I Peter 2:21 Today, Doug pastors his own church and runs Celebrate Recovery. He is a husband, a father and in his spare time, he works full time as our Assistant Men's Program Director.

*The Bible is the authority, the final resting place of our cares, our worries, our griefs, our tragedies, our sorrows and our surprises. It is the final answer to our questions, our search. Turning back to the Scriptures will provide something that nothing else can provide: light to keep us from groping about in the darkness. (See Psalm 119:105)*
