## Hope and Encouragement

Lisa and her children dream of spending Mother's Day in their new home. In February, Lisa's family found themselves having to leave their home of 7 years because their landlord decided to sell it. Being between jobs, Lisa found it impossible to find another affordable place to live. Feeling they did not have another option, Lisa brought her family to the mission. "The staff has been great and some of the guests too," says Lisa with a smile. Two weeks after arriving in shelter, she secured employment at Comfort Keepers and loves her new job. "I enjoy meeting people and caring for them one on one." Lisa and her children are hopeful they will have a home soon. Lisa is very thankful her stay in shelter has allowed her to save some money, and her family has enjoyed hearing Pastor Mike in chapel services. "The people at the mission are wonderful and willing to help anyone in need."

## Save the Date:

**June 16th– Strawberry Festival** at Community Village with food, entertainment and games!

### Do you have A Heart to Help?

Care Crew is an ambassador program pairing local congregations with the Mission. Join our team of volunteers!

Care Crew Captains gather together 4 times a year for a short dinner meeting to discuss events and activities happening at both the Mission and your church.

This is your chance to share with our guests opportunities that they may participate in at your church and to be a part of *changing lives for Christ*.

Join us May 19, 6-7pm, for more information on the Care Crew Captain Opportunity! (RSVP required)
