Moving Forward

Eric has had the rare opportunity to experience being a part of our previous Discipleship Program and the new Moving Forward Program. Eric likes the new program because it helps a homeless person develop the many skills needed to maintain permanent housing. "The Moving Forward Program has taught me to use the gifts that God has given me and has provided me a platform to minister to others. I am learning new skills I have never been able to learn because I have been incarcerated for the past 19 years. The Moving Forward Program has helped in joining my past with my present and offers an outlook of my future."
