

News for the Pews

“Faithful worker.” “On time for everything.” “Takes a job seriously and does it well.”

“These are all things an employer would be thrilled to be able to say about an employee. These ARE quotes from mission staff when talking about Dennis. After being at the Mission for only about 2 months, Dennis has completed the Life Skills classes, job training and has been successfully employed with a great job and full benefits! Humbly, he recognizes he is blessed! He helps another guest get to work by giving him a ride every day. And he helps out with odd jobs when he isn’t working and smiles.

“Everyone should be happy to help out around here,” Dennis timidly grins.
