When God Finds You

Nina and her daughters came to Saginaw to help out a friend. When things didn't go as planned, Nina found herself alone and confused.

Nina and her daughters, Justice and Caleah, left Chicago in search of answers. When life began to go downhill she wondered, "is this a test?" They came to the mission and, through chapel services and the New Life Full Gospel Church, are learning and growing in the Lord. "Through my diversity, I got my answers."

"The mission keeps me focused and centered on seeking God. It has been nothing but great to me. We have been given food, clothes, and the girls got to go to camp. If it is His will, I'm just glad to be in it!" Nina feels she has become a better mother, friend and Christian since coming to the mission. Nina's faith has turned trials into triumph.
