Helping Hands

City Rescue Mission has an amazing support system that works quietly behind the scenes and is a great asset for the cause. The CRM Auxiliary meets on the third Wednesday of the month and consists of men and women who care. Auxiliary meetings take place at 12:00 and include lunch with either an inspiring speaker or a musician. The purpose of the auxiliary is to assist the Mission financially when funds are not available for immediate needs. The Auxiliary has a gift shop at CRM for guests, staff and the public, it hosts Beauty and the Feast, and other creative fundraising. The Auxiliary would love to have more people come and show support. All are welcome, even children. Come give us a try. Your first visit is free. After that, we ask a \$4 donation for lunch. We look forward to meeting you!
