Sharing Hope

We are thankful for all that churches do to share hope with the homeless throughout the year. Without your donations of time, talent and treasure we would not be able to serve those in need in mid-Michigan. From painting rooms, making sack lunches, holding food and hygiene drives,

doing yard work, sorting clothes, hosting children's parties, serving meals, providing needed funding and much more, you are Jesus' hands reaching out to touch His children in need. Thank you for all you do!!

To find out how your church can become involved in the Rescue Mission call Nancy at 752-6051 x 122 or email volunteer@rescuesaginaw.org
