## Hope for the Homeless

Chris came to the Rescue Mission after his parole from prison. He accepted Christ after being sentenced and was determined to have a new life after leaving prison. He found that at the Saginaw Rescue Mission. During his time here

Chris learned skills such as painting, dry walling and mudding. He's now earned his CDL license and is employed by the Rescue Ministries Thrift store. He hopes to attend college and one day become a social worker working with those dealing with addictions and domestic violence. Chris also wants to be a role model for those at the Rescue Mission.
