Hope for a Future

Todd found himself without a job and unable to pay his bills. After living on the streets for awhile he finally gave in and sought help at the Saginaw Rescue Mission. He was lonely, depressed and didn't care about

life any more. At the Mission he found all he needed including food, shelter, chapel services and classes. He is

grateful to the Mission for giving him the foundation for a new start in life. He completed the Life skills and Jobs for Life classes and is now employed full time as a property manager. He credits God and the Mission for offering him the gift of hope.

Thank You!

Thank you to everyone who took part in our Hope and Care Hygiene Drive! It's not too late to get involved. Call Nancy at 752-6051 ext. 122 to learn how your church can become involved.
