## New Hope this Mother's Day

"Being at the shelter has helped me figure out who I am and who I want to be as a person," says Shayla. After losing all their money and their home through her husband's drug addiction, Shayla found she and her three children with no other option but turning to Rescue Mission for help. A college student in the medical field and diligently looking for employment, Shayla says she is focusing on her children and herself. "I'm going to keep going forward. That's all I can do."

Shayla has a few solid leads on some promising employment. She attends Delta College and soon will also be taking classes at Ross. Being determined to make a better life for she and her children, Shayla has found new hope while at the Rescue Mission. Through tears she says, "Since I've been here I've really gotten to know God a lot better. And I put Him first every single day and because of that I get through every single day. Thank you for all of the help from the staff here."

Join us for a  
**Kitchen Shower**  
for the City Rescue Mission  
Wednesday, June 4th at  
12:00p.m.-2:00p.m.  
at the City Rescue Mission  
Put on by our loving Auxiliary!

COMMUNITY VILLAGE  
**Strawberry Festival**

*Save the date!*  
*Our Annual*  
*Strawberry Festival*  
*held at*  
*Community Village*  
*is coming June 17th!*  
*Plan now to attend this*  
*fun, family event!*
