Cabin Team

In May, Dan was excited to be a part of a team from Michigan. The team built a new cabin for Wayumi Expedition and put new siding on the tabernacle. The new cabin was necessary because of the great number of teens joining Wayumi Expedition. What a great problem!

PRAY: For teens attending this summer. The week of June 16th is completely from the state of Michigan. We are excited to be a part of this. A group from Oscoda, Michigan is going the week of June 23d. We will be at Wayumi for those two weeks. Thank you ahead of time for praying as these young people are confronted with a Biblical world view.

Pray for Laborers!

Dan and Kathy Stokes
