

Wayumi 2013

Two great groups of young people

Thank you to all who are praying for Wayumi Expedition. We had two great weeks with groups from here in Michigan. The first week was entirely made up of Michigan groups from Beulah, Mesick, Saginaw, Lansing, Hickory Corners, Lansing and Brooklyn. During the second week we were with a great group from Oscoda as well as groups from Illinois and Virginia. The Lord is at work in the hearts of youth in this generation. Here is the future!

We are already looking ahead to 2014. We are praying about increasing our recruitment to Wayumi for next year. Some churches are interested in returning for Wayumi 2014 and some have already indicated a desire to be involved next year for the first time. If your church or youth group has an interest please contact us.

Pray for those who are desiring to go to Bible School in the fall. Summer jobs have been difficult to acquire. For needs of specific students please contact us.

Continue to follow Luke 10:2 "Pray for Laborers."
