

It has been an exciting autumn. Kathy's sister and niece came from Australia the end of September and were with us for Mom's 90<sup>th</sup> birthday. They stayed with us until October 23d. It was sure great to have them here after about 15 years.

October came in with excitement here in Michigan, with baseball, football, hayrides and of course mission opportunities. It started at Calvary Baptist in Prescott, Mi then Pastor's chapel at New Tribes Bible Institute with Pastor Mark Hazen from Immanuel Bible Church of Saginaw. It was particularly rewarding to see some of the young people whom we have been able to challenge. There are five at Jackson and 1 in Waukesha.

It was also a time for some MISSION CONFERENCES. It was great to get to know some new friends at Whitneyville Bible church near Grand Rapids as Dan spoke five times during their conference. The last week-end was our conference here at Immanuel Bible Church. Dan coordinated this event. The Lord encourages us with those who are enthusiastic for the work of reaching the world for Christ.

The day before Susie and Chandra left, we were able to pick Faith up at the airport in Detroit. We are sure glad to have her home for a couple months.

Again, as we as a country enter an election and there is much prayer over the direction of our county, we should remember that we are told by Jesus to pray for more laborers. Jesus' emphasis was on people.

Presently Dan is working on next year's calendar and meetings. Pray with us that the Lord would raise up meetings for us that will be fruitful for more laborers. Your prayers for us are vital.

PLEASE PRAY:

We travel to Virginia on the 8<sup>th</sup> and will be at Midway Church, Coeburn on the 11<sup>th</sup>.
