

CHRIST IS BORN

December 2012

It has been an interesting year as our children have moved around. Early in the year Joy and Duane came on home assignment from Papua New Guinea. Then in February Amy and David moved their family from Idaho to Florida. Joy and Duane have been asked to help at our retirement center for two years so they too will be in Florida next year. In October Faith was able to come home from Southeast Asia until the first of the year. So we are enjoying having her around for a couple of months.

Dan continues to speak in churches and some schools. We were able to go with a group from Immanuel Bible Church to Wayumi at Jersey Shore, Pennsylvania in June. Then we went with a group from Grove Bible Church to our Canadian headquarter for Off the Grid in August. This group stayed in jungle camp there on the property.

We continued with meetings and our conference here at Immanuel Bible Church in Saginaw. In November we had our representative's conference in Pennsylvania. It is always great when we have the opportunity to fellowship with others who are doing this job. Dan spoke at church meetings at Hill Top Baptist and Coleville Independent in north central Pennsylvania.

January 8 will find us in Cowden Lake Bible Church in Coral, Mi for the commissioning service for Michael and Nancy Dore who will be heading for Guinea West Africa. What makes this commissioning service very special for us is that Nancy was on our first Summit Team to Bolivia with the Yuqui people group located in the Amazon. It is a fulfillment of vision which started us in this ministry in 1999 to challenge people to give their lives for the spread of the gospel. Michael grew up in Guinea and they have four children.

Prayer Request:

Additional meetings for January- March.

A response to the challenge for more laborers

For the two weeks we will be in Jersey Shore for Wayumi next summer

Thanks to all who have a part in this ministry. Pray for laborers
