

REACHING THE UNREACHED

Dan and Kathy Stokes
2870 Blueberry Place
Saginaw, MI 48603

What is the ministry all about? Educating, challenging, recruiting? We are reminded that it is all about those who would not have an opportunity to hear the gospel unless someone goes. It is a privilege to be a part of what the Father is doing around the world. Please pray as we go that more will be challenged with this need.
