

Winter is finally ending and spring is at last showing up here in Michigan. We are reminded that many people groups around the world are frozen in the winter of fear because they have had no opportunity to hear about the season on new life in Christ. Our passion is to see new laborers who will bring them that message.

Despite the snow, freezing weather, late nights and early mornings, Dan has been able to speak 30 times so far this year sharing the challenge of unreached people groups. Our travels so far have taken us to four states for meetings.

Please continue to pray as we seek to impart that message in the following meetings this spring:

IFCA meeting-April 28

Ottawa Chapel-May 4

Calvary Baptist, Mikado-May 18

Nevins Lake Bible-May 25

Dover Baptist, Bristol Baptist-June 1
