

News

Summer is over and we are into the fall schedule. As we look back starting in the spring, here is what has gone on our lives. Our grandson, Dax, was able to be with us for a few weeks after finishing his first year in college. The Lord provided a lot of painting jobs and some yard work in the neighborhood for him. Just what a college guy needs for a summer of work.

The Second stage of the summer was two weeks at Wayumi with teens from Michigan. After that we were able to spend a week in Virginia with Kathy's brother. We headed back to Michigan after a series of meetings in Virginia and Pennsylvania. July held Sunday meetings and a VBS in Port Sanilac Baptist Church called, "It is a Jungle Out There". This was followed up with a visit with our granddaughter, Alexia. She was able to spend two weeks with us and her first visit to the Upper Peninsula of Michigan.

Then, as you may know, on August 2nd Kathy fractured her left ankle while walking. Ankle surgery and two hard casts later she has now progressed to a plastic boot. We both have learned to make some adjustments in our lives and schedules. The surgeon tells us that it will be sometime in November before some weight can be put on the ankle.

The fall schedule has begun:

This semester Dan is teaching a Sunday evening missions class at Immanuel Bible Church here in Saginaw.

October 3-5 Conference at Hickory Corners Bible

October 8 NTBI Jackson

October 12am East Marion, Deckerville

October 14-16 Wayumi Leaders Conference

October 19 am North Goodland Baptist, Imlay City

October 30 Pastors conference at NTBI

Pray for wisdom as to how much of this schedule Kathy should attempt. So thankful for a scooter that allows her to get around.

Dan and Kathy Stokes
