FALL 2015

THE BREAD OF LIFE

We all have sympathy for hungry children around the world. It is easy to dip into our finances and support those organizations who are feeding the hungry. But are we as concerned about the millions who do not have THE BREAD OF LIFE? What is the most urgent need? Is it our life here or eternity? God is glorified as we show compassion in His name but how much more does He desire that men know HIM. “ This is the bread which came down out of heaven; not as the fathers ate, and died, he who eats this bread shall live forever.” John 6:58

BUDIK GET THE WORDS OF LIFE

In 1988 we were privileged to visit a Budik village in Senegal, W Africa. We met a group of young people who were the first to believe in the finished work of Christ. It was exciting to read that the Budik church has just received the completed New Testament in their language. What a precious treasure indeed!

WHAT WE ARE DOING?

Last month we enjoyed seeing people in some supporting churches as well as new opportunities to share about the unreached people of the world. Please pray as we begin scheduling for next year. We do not want to just fill dates but go where the Lord is directing. Please let us know if you have a particular need as we begin to fill the calendar for 2016.

Pray as we share with people young and old how they can be involved in what our Father is doing around the world.

For the unreached,
