

STOKES SUMMER 2015

We have been privileged to have time with all of our girls this summer. Joy and Duane came on their way to work at NTM Canada for the summer. David, Amy and 3 of their children came on the 3d of July for a few days. And we were able to take a trip to Germany to visit Faith the end of July. Our Father not only meets our needs but also gives the desires of our heart.

The Lord has also given us the opportunity to speak in some churches and represent NTM at the IFCA convention in Cincinnati. We had a great time with Dave and Joyce Hilt and were able to reconnect with some old friends at the convention.

What Difference does it Make?

If 2500 language groups do not have the scriptures or the knowledge of the gospel

If young people are not challenged to give their lives

If believers do not have the privileged of being involved in what is on the heart of God

In the light of eternity, it makes all the difference in the world.

Pray that we will be faithful in challenging and encouraging as we continue on with the fall schedule. We will be traveling to Virginia, Pennsylvania, Indiana, and various places around Michigan. We are thankful for the opportunities that the Lord gives to be involved in His work.
