

The Lord graciously provided for us to take a break for three days in Port Sanilac, Michigan. A dear friend loaned us a house right on Lake Huron. Joy and Duane were able to join us after their summer working at NTM of Canada. And Kathy's sister, Debbie, also came after her summer of doing VBS in several churches with RBM Ministries.

As we begin the fall schedule, please be in prayer for the following:

September 13-Beahms Chapel, Luray, Virginia

Forward for Christ, Luray, Virginia

September 17-20-Mission Conference at Liberty Baptist, Sweetser, Indiana

September 27-Calvary Chapel, Stroh, Indiana

This weekend is known as Labor Day weekend. The last official one of the summer. The summer has almost past and the days to labor in the harvest are nearly gone. We need to ask ourselves this question, "what are we laboring for in this life?" Is it for eternal things or earthly things that pass away?

One eternal truth is that Jesus asked us to pray for laborers for the harvest field. That is labor in prayer that we all need to be doing.

For the unreached,

Dan and Kathy Stokes
