

GIVE THANKS

This is a special thank you to all who support us financially and prayerfully. We do not express enough how vital you are to this ministry. THANK YOU, THANK YOU, THANK YOU! Above all, we are thankful that our heavenly Father allows us to be a part of what He is doing in this world. He is our provider and sustainer and has used you to be a part of that.

WINNERS

We also thank our heavenly Father that we won the Birth Lottery. We have heard of state lottery winners for several years. Many win and then waste their winnings. But all of us who were born in the United States and other western countries won the Birth Lottery. Thousands of people have been trying to come and enjoy the benefits of our country. But God allowed us to be born here where we could hear and understand the truth of the gospel. That is not to even mention the other benefits of being a citizen. Just think of the educational opportunities, the good health care and the freedoms we enjoy. The most important benefit that we receive is access to the gospel. So many still do not have that opportunity. We have been given the opportunity of hearing the gospel and responding to the love of Jesus. But with that opportunity we have to realize that "to whom much has been given much will be required." Responsibility! How are we using the abundance that we have been given, abundance of scriptures, teaching and also material goods?

OPPORTUNITY

Today New Tribes Missionaries are working around the world to give God's Word to people who have never heard. Since the beginning of this mission 79 translations have been completed. The exciting news is that today 110 language groups are in the process of being given the Bible in their own language. These are very exciting times as we use the improvements available for speeding up the translation process. Pray for laborers to take advantage of these great tools.

PRAY

Please pray with us as we schedule next year. Pray for opportunities and wisdom to go where He directs.

In December we will be at:

*Forest Avenue Bible Fellowship, Ypsilanti, Michigan Dec 4

*Faith Bible, White Cloud, Michigan Dec 11

For the unreached,
Dan and Kathy Stokes
