

January and February have come and gone already. We have been busy with travel to Florida, Virginia, and Kentucky. In January we were able to help our daughter, Amy, and family move to a new house in Satellite Beach, Florida. Dan painted the outside of their house while we were there. We were able to visit with some old friends and Kathy's brother as we traveled. On January 29th we were at Prattville Community Church here in Michigan.

February 7-20 was spent in Virginia and Kentucky connecting with churches where we have been before as well as new places.
