

Happy, HAPPY New Year!!!

May God bless and encourage your hearts in this new giving us, and we trust that your Christmas celebration was wrapped around the gift of Jesus ☺! We love and appreciate you and would love to just sit down with a nice warm cup of cocoa and catch up on all your news! Our news has been very sparse as I have been dealing with another round of pain (from multiple sources) so my ability to sit and write has been extremely limited! Please know that we pray for you and thank our God for you! Thank you for your commitment to our partnership in this amazing ministry of reaching the lost for Christ. We will be sending out our news with some pictures soon, but we wanted to take this opportunity to wish you God's ABUNDANT blessings for 2013!

We send our love,

Paul and Faith
