

NTM IS CELEBRATING 75 YEARS this year!!!

In October Paul accompanied a journalist to Bolivia to be her translator and guide into the Ayore Indigenous village where we worked and lived for ten years. Many of you asked where and when you would be able to read this article --- so here is a link that will take you to the New Tribes Mission magazine web site. Just ctrl-click here <https://usa.ntm.org/ntm-at-work> and "The Ayore Church 75 Years Later" with all the great pictures will be right there where you can read it. Enjoy!!!

We worked with the Ayore people from 1968 to 1978 and consider it an honor and privilege to have been a part of God's work among these precious people! **CELEBRATE WITH US** all that God has done over the years to see this church planted and the people growing in their knowledge of the Lord Jesus! **YOU HAVE BEEN A VITAL PART** of this ministry and we can't express enough how **MUCH** we appreciate you! **THANK YOU** for your faithful prayers and financial support!!! And now --- together --- we are

training a new generation of young people who are, literally, taking the Gospel around the world! God continues to use you in a mighty way to spread Gospel!

This is one of the few pictures we have of our family together taken in the early days of our time in Bolivia. **YOU WILL BE AMAZED** at the changes that have taken place over these past 50 years! Not just on the outside --- but a **HUGE** transformation on the inside. They've gone from darkness and fear to

light and peace!

God bless and encourage your hearts today!
