

IS MY LIGHT

27:1

July 1, 2014

Dear friends and family,

Words sometimes just can't describe experiences, and sometimes pictures can't even do justice, but they certainly help. To the left, you will see a few of many pictures that sum up our week at One Week, One Street. From top to bottom, the first picture shows several students painting a home on Harold Street. Standing in the back is volunteer staff member, Ashleigh Babcock! The next picture is a student along with 2 residents who eagerly jumped in to help make a change on their street. Below are students Breanna and Jenny, and the last photo is 3 students with the owner of the home they spent the week at.

If we could have sent you a slideshow, we would have. You will not believe the things we want to share with you! Not only did the students exceed our expectations at the worksite, but through the power of your prayer and the work of the Spirit, they surrendered their lives in Worship of Jesus Christ. They showed up. They worked in the heat and the rain. They pushed their limits physically. They connected with and cared for the community. They joined hands in prayer daily with over 50 people. They responded to morning devotions, personal testimonies, several presentations of the Gospel and evening worship. They knelt at the altar and wept.

Our students were changed.

Would you pray for them, right now? Pray for Sam, Seth, Zac, Emilio, Jennifer, Layla, Breanna. Pray for them by name. Pray for the change that occurred within Infuse Youth Ministries at Saginaw Valley Church of the Nazarene, and for every adult, teenager and resident that took part in this project. God is living and active, and He is the God of this city.

Hope for our future is in the heart of Saginaw. A community of believers focused on widespread prayer, building loving relationships, faithful Bible teaching, collaborative community strategy and raising adults who empower CAN change a city that most would write off. Great Lakes Bay Youth for Christ is ready to GO and make disciples of all nations, to make disciples of Saginaw.

Will you help SEND us? Are you ready to GO or do you know someone who is? Contact us.

Blessings,

*Jon, Allie & Joanna*
