Our dearest family in Christ! 3-30-24

Well here we are at the end of another month already! Now lets see...we are home from a long stay in a hospital 2 hr. from our home. Like all the good ones are :(The drs. put me on oxygen 24)7 now and its tough to remember to put it back when I do remove it! But with time thar should get better! Got another infection but hopefully~ it should clear up with pills- juice- and meds don't you think? ugh

Besides taking me to the many dr. offices, Paul has some of his own as well to go see. He has decided to get his other shoulder replaced as his dr. is retiring! Seems all of our drs are! Dr. Gonzales is- Dr. Roberts=Chiropractor is-Dr. Nelson is- Dr. Safavi (Iranian) moved to San Diego. Can you believe this?

God has given strength enough to Paul to continue his prison ministry and so that means quite a few hours alone:(But I know where he is-what he's doing and I know it cuz for 29 yrs I did it with him!! So I pray and call on God for his safety and protection and strength!. There have been baptisms Ive missed...also Hearing the men individually thank Paul from their hearts for coming to teach them from Gods Word! One guy asked Paul are you really gonna come at Christmas and New Years? of course it was answered in the affirmative! At This Resurrection Sunday as well!!

Both Paul and I are getting Stone Deaf! Got any good ideas to share of the right ones to get? We made appts once with Costco

people but it had to be cancelled. They were all sick with the flu!

Our Granddaughter *Alicia*, is now back home after 3 yrs of living the good life in Nashville! She's glad to be home and working remotely til May! We r hoping she can keep us young!! At least for now!

On the 8th of April my first born-*LISA ANN*-will turn -60-!! Time waits for no man nor woman! As a Tucson family, we will celebrate such 6 decades!! In Wisconsin, my family there , celebrated another first 5 decades-*SHAUNA MARIE* turned -50-! So I am not the only one getting older!! Dear God, Bless these two women please with renewed health and strength! Then over in Spokane, our 1st Great-*Dustin Kai*, will turn -3-tomorrow!

We aren't going too far these days except to see Drs. and more of the same. We are praying that God will use us in each place for His Glory!

For you *Dear Ones* we don't get to see in person, please...know we love you and praise God for you and the part you play in our lives!! We pray that this Holy Season of remembering *Jesus* Death and Resurrection was a spiritual uplift for you! We love *Him* SO much and count it a privilege to serve a *Risen Savior*!

Until we meet again..Paul and Pat Dye
