

WOW! Michael will be graduating May 30th from Numonohi Christian Academy. He plans to attend Ethnos360 Bible Institute in Waukesha, Wisconsin for 2 years. From there he is considering the possibility of pursuing a career with the US Airforce. Please pray for Michael and the transitions that lie ahead. Some have asked specifically for ways in which they might be able to help with these transitions. Contributions toward Michael's tuition at EBI may be made through this link: <https://e360bible.org/student-payments/>. Visa & Amazon gift cards would also be a blessing to him as he settles in.

If you are able, **PLEASE** join us in **CELEBRATING Michael** at his Open House @ **Southside Bible Church** in Battle Creek, MI on **June 22nd** from 2-5pm.
