

Praying that you have a wonderful summer 2024

Dear Friends and Family

June 2024

Hello! We have just now returned after some extensive traveling this spring! Its been a blessing to be able to meet with all of our workers in SE Asia from Malaysia, Thailand, the Republic of Georgia, Indonesia, Laos, Vietnam and with some who are serving in Central Asia.

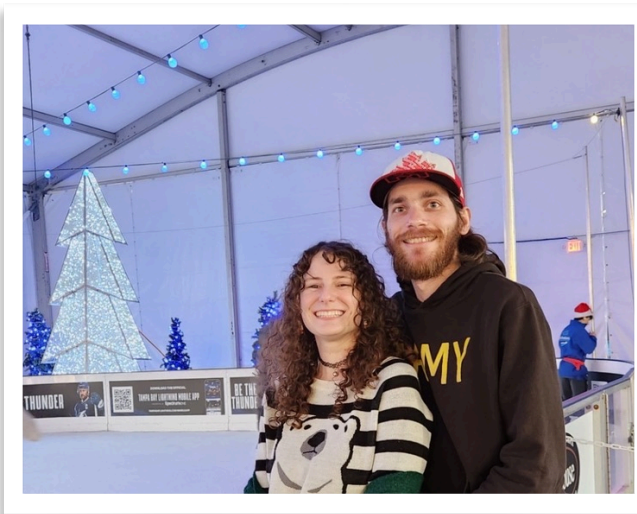

This year, each of our regions are having special, country specific meetings to have time together, further teaching and training and time of encouragement. Its been a great time to connect with each person on a closer level. Some key conversations which are always so exciting are the ones about moving out to people group areas, sharing their faith and talking about the barriers and complexities of sharing truth in their cultures. Its encouraging to hear how the Lord opens opportunities to share deep spiritual conversations-such a blessing after years of language learning to finally get to that point! We love the times of meeting in person (rather than zoom) as teams form and plan together. Its such a key time of working on team formation, goals and good communication as they launch into more challenging places. Please continue to pray for open doors as several teams are planning big moves in each country soon!

We are very thankful for a key training partner, Radius, and this spring we were able to teach at another missions training partner in the country of Georgia. It was so fun to be able to use Russian again and to meet and spend time with students there. The main highlight of our time there was that **3 of our pastors and their families from the church we planted in Siberia all came to spend several day with us there.** What a joyous reunion and a wonderful time of

remiscing and hearing how the church is doing today and praying with them in their challenges. The church continues to thrive and is reaching out to other parts of Siberia, and even the globe. They hosted a children's conference at the church and had about 60 children attend! Thank you for being a part of this ministry and their story! All the praise belongs to Him! It was hard to say good bye but we know its just a temporary one!

We are preparing for the GSI Orientation this July! We will have about 25 new workers joining us and people coming in from all over the nation-

Eric and Rayann

Dylan and Natalie

Dylan being deployed

including guests from Europe! Several of our current overseas workers will be in the US at that time and will also be able to come! Its always fun to have them join and new workers love talking to those already on the field! Please pray for all the planning and details to come together and for the Lord to be honored during this special time!

Thank you for standing with us and partnering with us in this tremendous work! We appreciate your prayers and

thoughtfulness and generosity. Please pray for those serving in hard places and for wisdom and

guidance for us as we lead these families and workers. Please pray for Dylan and Natalie as he is deployed for 9 months in Eastern Europe while she is in Colorado. And we are so thankful and excited for Eric and his fiancée, Rayann, who are getting married this Fall!
