

Dear Immanuel Family

Hello! As Thanksgiving approaches, we do have much to be thankful for!

We are thankful that we were able to make it to SE Asia and work with our families and church planting teams last month. Please pray as the work is hard, days can be long and they are trusting for fruit after many conversations. Pray for open hearts and fruit! We are thankful for open doors and new teams forming to new areas, which is very exciting.

Many of our families and their children have been experiencing a lot of sickness, which can be discouraging. Please lift them up and that they will feel His presence and encouragement.

We also just got back from Radius in Mexico. We deeply appreciate this great training for those heading overseas. We had lots of meetings with students and anticipate a busy application time during their holidays. We ask for wisdom and discernment during this time.

We are thankful for new visas that have been approved in some very closed places and for workers who are willing to stick it out in very challenging circumstances. It's a privilege to mentor and guide them in this task.

May the Lord bless you this Thanksgiving season. There is much to be in prayer for, but we are blessed in Christ!

Thank you so much for your prayers and partnership with us and the ministry! We really appreciate you!

Love in Him  
Greg and Julieann
