Vol. 1 - Iss. 2

October 2023

**Brayden & Milah  
Andreassen**

## Disciples Making Disciples

With small groups of believers, we are going through a curriculum about making disciples who make disciples. We learn to apply, process and share truth from God's Word. Brayden is discipling six guys, and Milah six girls. Together, we

ended up having twelve “disciples”, kinda like Jesus! 😊 Pictured above is one of Milah’s groups.

## What we’ve been up to -- in pictures!

Once a month, students gather in host homes for **Family Groups**, organized by Milah with students randomly matched to hosts. Each group shares a meal, has a Bible study, and prays together. **One of the students in our group read the Bible for her very first time!**

We took 17 international students to **Cedar Point** to experience an American amusement park! We screamed and laughed together, and talked as we lost our voices throughout the day.

Milah hosted a **fall-themed event** to connect with our female students. They enjoyed a pumpkin patch, fall-themed snacks, and painting pumpkins together!

## Prayer Requests

- Our annual Fall Retreat is this weekend! Pray for believers to be encouraged, refreshed, and challenged in their walk with God.
- Unbelieving international students from SVSU are joining the Retreat as well! Pray for them to hear, understand, and respond to Jesus' message of salvation!
- Due to unforeseen circumstances, we need an additional \$300/month for the rest of our apprenticeship. Pray for God's provision, as He already has been doing!

## Praises

- Two students (Emma and Austin) have committed their lives to Jesus and publicly responded in baptism! Several more are considering baptism as well!
- Over 50 students from SVSU are signed up to come on our Fall Retreat! Eight are internationals.
- Many freshmen are already diving deep into our community through small groups, serving, and welcoming others!
